### **Enhancements**

#### **Forms**

- The footer for all forms has been updated to **REVISED BY ODE: April 27, 2021**.
- For IEPs, AIEPs, and RIEPs, you can now transition a child from Pre-K to kindergarten using the user interface. When you select **Yes** to the question **Is the child in preschool?** on the **Cover Page**, then the **Least Restrictive Environment** section displays the **This IEP will transition with the child to kindergarten** checkbox. When you select this checkbox, the **For School Age** section displays below the **For Preschool** section.

## V21.1.0 RELEASE NOTES

SpecialServices Classic v21.1.0 provides several new features to improve your experience. This overview explains the recent changes.

Related documentation is available on ProgressBook WebHelp. For more information about an enhancement, see the product guide referenced in parentheses.

### Enhancements

#### Open Tasks

- When you are adding a new task, the future school years of “2022-2023” and “2023-2024” are now available selections in the School Year drop-down list. The past years of “2016-2017” and “2015-2016” have been removed and are no longer available selections.

#### Forms

- The **Ohio AASCD Participation Criteria** form is now obsolete and is no longer accessible for a form for IEP, REIP, TIEP, AIEP, or SP.
- When you are in an open IEP, REIP, TIEP, AIEP, or SP, and you click the link under **IEP 12 Statewide and District Wide Testing**, the Ohio AASCD Participation Criteria link has been renamed as **Ohio’s Alternate Assessment Participation Decision-Making Tool**. When you click the link, the PDF opens in a new browser tab and can be printed.

## V21.2.0 RELEASE NOTES

SpecialServices Classic v21.2.0 provides several new features to improve your experience. This overview explains the recent changes.

Related documentation is available on ProgressBook WebHelp. For more information about an enhancement, see the product guide referenced in parentheses.

### Enhancement

#### Open Tasks

- On the **Student Properties** screen, pronunciation information displays by the student's name if it has been entered in StudentInformation on the **Edit Student Profile** screen, **General** tab.
- 

### Resolved Issue

#### Forms

- (PBSPS-1771) Previously, on the **Evaluation Team Report (ETR) School Aged Evaluation Planning Form**, long entries in the **Suspected Disability(ies)** field were truncated on the screen or in the **Print Preview**. Now, the complete entry in the **Suspected Disability(ies)** field prints.
