Graduation Points Overview

Graduation Points is a method of verifying if students have met all the credit requirements for graduation and show readiness for next steps in college and/or careers. All students graduating in 2018 and forward must complete a combination of the following:

- **Credit Requirement** – Students must complete all state minimum requirements below:
 - 20 credits
 - Receive instruction in Economics and Financial Literacy
 - Complete at least two semesters of Fine Arts
- **Graduation Pathways** – Students must complete one of the following pathways: **State Assessment** (18 points), **Industry Credential and Workforce Readiness**, or **College Admission**. In addition to completing one of the three pathways, students must also complete the 7 required **State Assessments**.
 - **State Assessment**
 - 18 points requirement across the end-of-course exams
 - Take 7 federal and state required tests (required for all students regardless of pathway):
 - Algebra I or Integrated Math 1
 - Geometry or Integrated Math 2
 - English I
 - English II
 - Biology
 - American History
 - American Government
 - **Industry Credential** – Students must earn 12 points through a State Board of Education-approved, industry recognized credential or group credentials in one of the following career fields:
 - Agriculture
 - Arts and Communications
 - Business and Finance
 - Construction
 - Education and Training
 - Engineering
 - Health
 - Hospitality and Tourism
 - Human Services
 - Information Technology
 - Law and Public Safety
 - Manufacturing
 - Transportation

- **Workforce Readiness**
 - Students graduating in 2018 and 2019 must earn at least 13 points across all 3 WorkKeys assessment sections with at least 3 points in each section of the test.
 - Students graduating in 2020 and forward must earn at least 14 points across all 3 WorkKeys assessment sections with at least 3 points in each section of the test.
- **College Admission** – Students must meet the remediation-free scores on either standardized test below:
 - ACT
 - SAT

Depending on a student's career path, comparable courses taken, or overflowed electives, students can be assigned exemptions or requirements met for the following:

- **Economics and Financial Literacy** requirement met
- **Fine Arts** requirement met
- Student is exempt from **Physical Education** requirement
- Student is following a **Career-Technical Pathway**
- Student is exempt from **higher level Math** (Algebra II) requirement
- Student is exempt from **higher level Science** requirement
- **Elective** requirement met

Grad Points Search

Navigation: StudentInformation > SIS > Student > Graduation Points > Grad Points Search

The **Grad Points Search** screen allows you to filter for students by their **Grade**, **Counselor**, **AdHoc Group**, and/or **Membership**. The search results provide a quick overview of a group of students' progress toward completing their graduation requirements. You can also view more details about a student's progress or their exemptions from this screen.

***Note:** By default, when you first access the **Grad Points Search** screen, the **Grad Points Search** results grid displays all students of a district or school in context with 10 results per screen.*

1. Select any of the following criteria to narrow your results.
 - **Grade** – Select the corresponding checkbox for each grade(s) of students you wish to include in the drop-down list.
 - **Counselor** – Select the corresponding checkbox for each counselor(s) whose students you wish to include in the drop-down list.
 - **AdHoc Group** – Select the corresponding checkbox for each AdHoc Group(s) whose students you wish to include in the drop-down list.
 - **Membership** – Select the corresponding checkbox for each Membership(s) whose students you wish to include in the drop-down list.
 - **Show Incomplete Only** – Select this checkbox if you do not wish to see students who have met their graduation points requirements.
 - (Optional) You can click **Clear** next to each filter option to remove all previously selected search filters in a drop-down list.

- (Optional) You can select to display 10, 25, 50, or 100 results per screen at the bottom of the screen.

Updating and Refreshing Data

The *StudentInformation v16.3.0 Upgrade Instructions* document includes directions on how to set up a scheduled job that recalculates Graduation Points data to ease the server load. Thus, when you update information (such as adding an ACT assessment result) regarding a student's Graduation Points data, all screens related to the student's Graduation Points progress do not reflect the new changes until the scheduled job runs or when you click the **Check for Updated Information** button at the top of the **Grad Points Summary** screen or any of its sub-screens.

Generating a Graduation Plan Report

If you have the appropriate security permissions, you can generate an **Ohio Graduation Plan Template** report for the student record you are viewing. To do this, click the  icon in the upper right corner of the **Grad Points Summary** screen.

The screenshot shows the 'Grad Points Summary' interface. At the top right, there is a download icon (a document with a downward arrow) highlighted with a red box. Below the navigation bar, the 'Credit Requirement' section lists various subjects with their completion status: English (In Progress), Physical Education (Not Started), Math (In Progress), Social Studies (Completed), Economics and Financial Literacy (Completed), Science (Completed), Health (Completed), Electives (In Progress), and Fine Arts (Completed). At the bottom, a progress bar indicates 'Total Areas Met: 5 out of 9 Completed'. A 'More...' link is also visible.

The report downloads as a PDF.

Ohio Graduation Plan Template

This template is designed to help Ohio school administrators, counselors and teachers develop graduation plans for students in grades 9-12. Use of this template is not required. Make any edits necessary to customize this template to the needs of the school or district. Please send any questions or comments about how to improve the template for future use to gradrequirements@education.ohio.gov.

Credit Requirements

Navigation: StudentInformation > SIS > Student > Graduation Points > Grad Points Summary

The **Credit Requirement** grid displays a student's credit progress toward graduation. Each student must take and earn a state minimum of 20 credits, receive instruction in Economics and Financial Literacy, and complete at least two semesters of Fine Arts.

The screenshot shows the 'Grad Points Summary' page for a student. At the top, there is a breadcrumb trail: 'StudentInformation > SIS > Student > Graduation Points > Grad Points Summary'. Below this, there are search and navigation options, including a 'Return to Search' link, a 'Check for Updated Information' button, and a timestamp: 'Last Updated 4/22/2022 10:52:58 AM'. The main content area is titled 'Credit Requirement' and features a grid of subjects with their status and a 'View' link. The subjects and their statuses are: English (In Progress), Physical Education (Not Started), Math (In Progress), Social Studies (Completed), Economics and Financial Literacy (Completed), Science (Completed), Health (Completed), Electives (In Progress), and Fine Arts (Completed). At the bottom of the grid, there is a 'Total Areas Met' section showing a progress bar for '5 out of 9 Completed' and a 'More...' link.

Elective Credits

- Students must complete one or any combination of the following courses:
 - Foreign Language
 - Fine Arts
 - Business
 - Career-Technical Education
 - Family and Consumer Sciences
 - Technology
 - Agricultural Education
 - English Language Arts, Mathematics, Science, or Social Studies courses not otherwise required
- The following **EMIS Subject Areas for Credit** are currently automatically included for **Elective Credits**: BUS, CTA, ELE, FLR, HEC, JTC, and TEC.
 - To indicate a student has completed electives that do not fall under the above **EMIS Subject Areas for Credit**, see [“Student Exemptions/Requirements.”](#)
 - When a student is marked as having met the Elective requirements on the **Student Exemptions/Requirements** screen, regardless of how many credits they have earned, their status is marked as **Complete** on the **Grad Points Summary** screen and **Electives Credits** screen. On the top of the **Electives Credits** screen, you can hover your cursor over  to view the message that indicates the student has completed their Elective requirements outside of the automatically included **EMIS Subject Areas for Credit**.

Elective requirements are complete due to student receiving Elective credits in other subject areas.

Economics and Financial Literacy

- All students must receive instruction in economics and financial literacy during grades 9-12.
- To indicate a student has received instruction in economics and financial literacy, see [“Student Exemptions/Requirements.”](#)

Fine Arts

- Students must complete at least 2 semesters of Fine Arts between grades 7-12.

Note: This requirement does not automatically display as complete even if courses display on the **Fine Arts** screen (see “[Student Exemptions/Requirements](#)”).

- To indicate a student has completed comparable alternative Fine Arts courses that do not fall under the **EMIS Subject Area for Credit** "FAR - Fine Arts," see “[Student Exemptions/Requirements](#).”
- Exceptions:
 - Students following a career-technical pathway are exempt from taking Fine Arts. To indicate a student is following a career-technical pathway, see “[Student Exemptions/Requirements](#).”

Graduation Pathways

Navigation: StudentInformation > SIS > Student > Graduation Points > Grad Points Summary

Depending on the student’s situation or their **Fiscal Year Began 9th** value, one or more of the graduation pathways below may be available:

- For class of 2021 and later, see “[Permanent Requirements](#).”
- For class of 2018 to 2022, see “[2018+ Requirements](#).”
- For class of 2018 to 2020, see “[2018+ Optional Pathways](#).”
- For class of 2017 or earlier, see “[2017 Requirements](#).”
- For students who participate in AASCD, see “[\(AASCD\) Alternate Requirements](#).”

One of the following statuses displays beside each requirement that can be met:

– Indicates that the student has completed the requirement.

– Indicates that a requirement is in progress.

– Indicates that a requirement has not been met or started.

Permanent Requirements

The **Permanent Requirements** tab displays for students who have a **Fiscal Year Began 9th** value of **2018** or later on their **Edit Student Profile** screen **FN-Attributes** tab.

- Students who have a **Fiscal Year Began 9th** value of **2018** or **2019** (class of 2021 or 2022) may choose to graduate using the requirements on the **Permanent Requirements** tab or any other applicable option.
- Students who have a **Fiscal Year Began 9th** value of **2020** (class of 2023) or later must meet the requirements for graduation on the **Permanent Requirements** tab.

Grad Points Summary

Students graduating in 2023 or later must take 6 end-of-course exams, take the ACT or SAT, show competency in English II and Algebra I end-of-course exams or alternatives, and demonstrate readiness by earning at least 2 diploma seals. Refer to any section below to understand the requirements for each component.

- For end-of-course exam requirements, see [“State Assessment.”](#)
- For ACT and SAT requirements, see [“College Admission.”](#)
- For competency in English II and Algebra I or alternatives, see [“Show Competency.”](#)
- For demonstrating readiness, see [“Show Readiness.”](#)

You can click **View** to see more information regarding the student’s progress on the **State Assessment Pathway** screen. To find out more about the end-of-course exam points and exceptions, see “[State Assessment Pathway](#).”

Note: Students following the graduation requirements on the **Permanent Requirements** tab are not required to complete 18 points.

The screenshot displays the 'State Assessment Pathway' page. At the top, it shows navigation links and a 'Check for Updated Information' button. The page is divided into three main subject sections: English, Math, and Science/Social Studies. Each section lists specific assessments with their completion dates and points earned. A summary section at the bottom provides an overview of the total points earned across all subjects.

The screenshot shows a web interface for 'StudentInformation > SIS > Student > Graduation Points > Grad Points Summary'. It includes a search bar, a 'Return to Summary' link, and a 'Check for Updated Information' button. The page is titled 'Required State Assessments' and shows a list of assessments: ALG1 (green check), GEOM (green check), ELA2 (green check), BIOL (green check), HIST (red cross), and GOVM (green check). A status indicator shows 'In Progress' with a clock icon. At the bottom, it states 'Assessments Taken 5 out of 6'. The last updated time is 5/13/2020 11:53:18 AM.

Show Competency

Students must demonstrate competency in Algebra I and English II by earning a passing score of at least 684 on both Algebra I and English II end-of-course exams.

Note: If the student has a **Score Not Reported** value of **W - Student received Graduation credit prior to assessment availability** they must earn a passing **Performance Level** score of **3 - Proficient, 4 - Accelerated, or 5 - Advanced**.

Note: The calculation that determines competency for the Algebra I assessment includes the End-of-Course assessments for MTH1 or ALG1 to determine if the student met the competency score. If the student has an End-of-Course assessment for both MTH1 and ALG1, StudentInformation uses the record with the highest score to determine competency.

If the student fails to complete either or both requirements, they must demonstrate competency in 1 of 3 alternative ways:

1. [“Demonstrate Two Career-Focused Activities”](#)
2. [“Enlist in the Military”](#)
3. [“Complete College Coursework”](#)

Industry Credential (Foundational) – Student must earn at least 12 industry credential points in at least 1 of 13 areas. You can click **View** to see more details on the **Industry Credential** screen (see [“Industry Credential”](#)).

Pre-apprenticeship (Foundational) – Student must complete a pre-apprenticeship in the student’s chosen career field. To indicate that the requirement has been met, you must select the **Pre-apprenticeship** checkbox on the **Student Exemptions/Requirements** screen (see [“Optional Career-Technical Requirements”](#)).

Work-based learning experience (Supporting) – Student must complete a workplace experience that totals 250 hours with evidence of positive evaluations. To indicate that the requirement has been met, you must select the **Workplace Experience** checkbox on the **Student Exemptions/Requirement** screen (see [“Optional Career-Technical Requirements”](#)).

Workforce Readiness (Supporting) – Students graduating in 2020 or later must earn at least 14 points across all 3 WorkKeys Assessment sections with at least 3 points in each section of the test. You can click **View** to see more details on the **Industry Credential** screen (see [“Industry Credential”](#)).

OhioMeansJobs Readiness Seal (Supporting) – Student must meet the requirements and criteria established for the readiness seal, including demonstration of work-readiness and professional competencies. To indicate that the requirement has been met, you must select the **OhioMeansJobs Seal (Ohio)** checkbox on the **Student Exemptions/Requirements** screen (see [“State System of Diploma Seals”](#)).

Enlist in the Military

If the student has failed Algebra I and/or English II, they can meet the requirements of this option by providing a contract with the military to enlist upon graduation. To indicate that the requirement has been met, you must select the **Military Enlistment Seal (Ohio)** checkbox on the **Student Exemptions/Requirements** screen (see [“State System of Diploma Seals”](#)).

Complete College Coursework

If the student has failed Algebra I and/or English II, they can complete a corresponding College Credit Plus Course subject to demonstrate competency in the subject for which they did not pass end-of-course exams.

The following table depicts the conditions for completing the requirements of the **Show Competency** section when following this option.

Algebra I	English II	CCP Equivalent for Algebra I	CCP Equivalent for English II	Show Competency
Pass	Fail	Pass or N/A	Pass	Complete
Fail	Pass	Pass	Pass or N/A	Complete

Show Readiness

Students must demonstrate readiness by earning at least 2 diploma seals, one of which must be state defined. You can indicate that a student plans to earn or has earned a seal on the **Student Exemptions/Requirements** screen (see [“State System of Diploma Seals”](#)).

You can click **View** to see more details.

The **Readiness Seals** screen displays, indicating which seals the student has completed.

The following indicators display next to each seal used based on the settings of the **Plans to Earn** and **Earned** columns on the **Student Exemptions/Requirements** screen:

	Student has no selections in either the Plans to Earn column or the Earned column.
	The Plans to Earn column is selected, but the Earned column is not.
	The Earned column is selected, indicating the student has met the requirements of the seal.

At the top of the **Readiness Seals** section, the following status is displayed based on the settings of the **Plans to Earn** and **Earned** columns on the **Student Exemptions/Requirements** screen:

Not Met	The student has earned no seals.
In Progress	The student has earned at least one seal, or the student has earned two seals and they are both Local seals.
Completed	The student has earned two seals and at least one is a State Seal.

2018+ Requirements

On the **Grad Points Summary** screen, the **2018+ Requirements** tab displays if the student has a **Fiscal Year Began 9th** value on their **Edit Student Profile** screen **FN-Attributes** tab. Students who have a **Fiscal Year Began 9th** value of **2015** or later can choose to complete the requirements on the **2018+ Optional Pathways** tab instead.

This option is available to students who graduate between 2018 and 2022.

Click the **2018+ Requirements** tab to view the student’s progress toward completing 1 of the 3 graduation pathways available. Students can either complete the 18 end-of-course exam points pathway, complete the **Industry Credential and Workforce Readiness** pathway, or successfully take the ACT or SAT.

Refer to any section below to better understand the requirements for each component.

- For the end-of-course exams pathway, see [“State Assessment.”](#)
- For the ACT or SAT pathway, see [“College Admission.”](#)
- For the **Industry Credential and Workforce Readiness** pathway, see [“Industry Credential and Workforce Readiness.”](#)

Note: Students graduating in 2017 do not need to complete the 5 federal and state required assessments if they are following the requirements on the **2018+ Requirements** tab. The example below shows a student who is eligible for graduation in 2017 as they have completed at least 18 end-of-course exam points.

- Indicates the number of the 7 federal and state required assessments that the student has taken. You can click **View** to see which assessments the student has taken on the **Required State Assessments** screen. All high school students must be tested in the following 7 areas:

- Algebra I or Integrated Math I
- Geometry or Integrated Math 2
- English I
- English II
- Biology
- American History
- American Government

Industry Credential and Workforce Readiness

The **Industry Credential and Workforce Readiness** section displays the student’s progress toward the pathway’s requirement. Students must complete at least 12 points in at least one Industry Recognized Credential as well as at least 13 points on the WorkKeys assessment. You can click **View** to see more details on the **Industry Credential** screen (see “[Industry Credential](#)”).

- Indicates the number of industry credential points the student has earned.
- Indicates the number of total points the student has earned across all 3 WorkKeys assessment sections (Version 1 or Version 2).

Note: The highest score across multiple tests for each assessment area is applied to the student’s progress.

- Indicates the number of WorkKeys assessment sections (Version 1 or Version 2) in which the student has earned at least 3 points.

2018+ Optional Pathways

On the **Grad Points Summary** screen, the **2018+ Optional Pathways** tab displays if students have a **Fiscal Year Began 9th** value of **2015**, **2016**, or **2017** (class of 2018, 2019, or 2020) on the **Edit Student Profile** screen **FN-Attributes** tab.

This option is available to students who graduate between 2018 and 2020.

- Students can choose to complete either the **Graduation Option** or **Career-Technical Option** on the **2018+ Optional Pathways** tab.
- Alternatively, students can also choose to complete 1 of the 3 **Graduation Pathways** on the **2018+ Requirements** tab instead (see “[2018+ Requirements](#)”).

Click the **2018+ Optional Pathways** tab to view the student’s progress toward completing the 2 of 9 requirements for the **Graduation Option** or 1 of 3 requirements for the **Career-Technical Option**.

Note: The **2018+ Optional Pathways** tab does not display if students have no **Fiscal Year Began 9th** value or if their **Fiscal Year Began 9th** has a value that is not **2015**, **2016**, or **2017**.

The screenshot shows the '2018+ Optional Pathways' tab selected. Below the tab, there is a section titled 'Graduation Pathways' with an information icon. To the right of this section is a green checkmark and the word 'Completed'. Below this, there are two rows of progress bars:

Option	Progress	Info Icon	View Button
Graduation Option	2 out of 2 Completed	Information icon	View button (circled in red)
Career-Technical Option	1 out of 1 Completed	Information icon	View button

You can click **View** to see details regarding the student’s progress toward the 2018+ optional pathways. Students must pass courses that constitute the curriculum requirements, take all 7 end-of-course exams, and fulfill any additional requirements for the **Graduation Option** or the **Career Technical Option**.

Graduation Option – Students must meet at least 2 of 9 requirements (see “[Optional Graduation Requirements](#).”); if the student receives a score of 1 or 2 on any Math or English Arts test, they must retake the test at least once.

Career-Technical Option – Students must finish a career-technical program that includes at least 4 courses in a single career pathway and complete at least 1 of 3 requirements (see “[Optional Career-Technical Requirements](#)”).

Note: Only the 2 of 9 and 1 of 3 requirements for the optional pathways are tracked on the **Graduation Points Summary** screen. You can indicate that the student has completed a requirement on the **Student Exemptions/Requirements** screen.

2017 Requirements

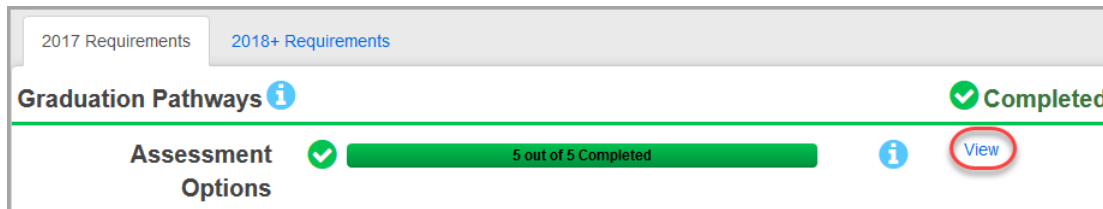

On the **Grad Points Summary** screen, the **2017 Requirements** tab displays for **Graduation Pathways** if students have a **Fiscal Year Began 9th** value of **2014** or earlier on the **Edit Student Profile** screen **FN-Attributes** tab. Students who are graduating in 2017 or earlier may either complete the **Assessment Options** in the **2017 Requirements** tab or 1 of the 3 **Graduation Pathways** on the **2018+ Requirements** tab (see “[2018+ Requirements](#)”).

Grad Points Summary

This option is available only to students graduating in 2017 or earlier.

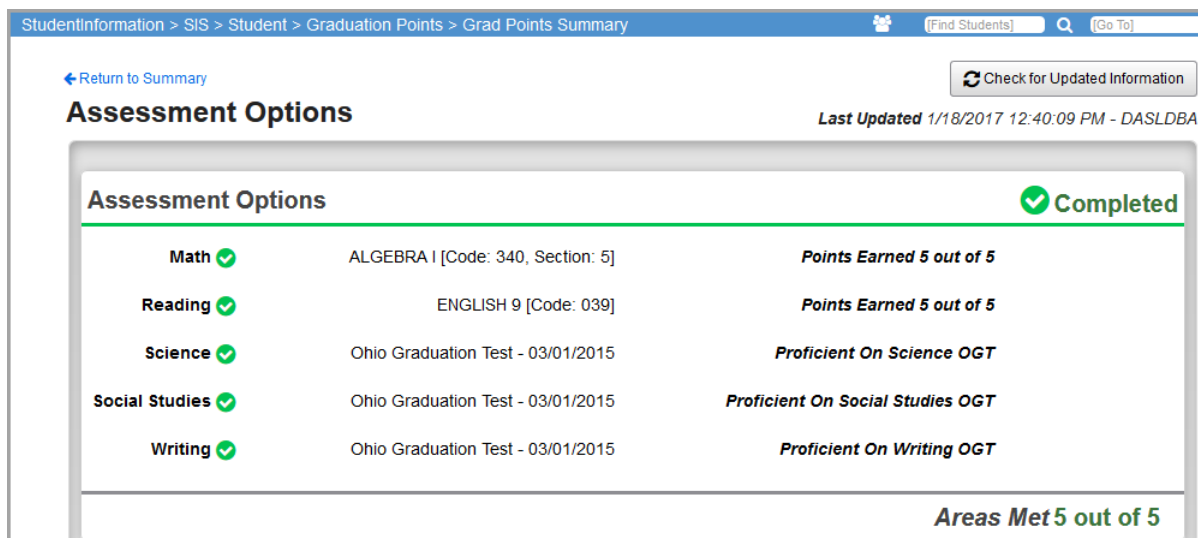

Click the **2017 Requirements** tab to view the student's progress toward completing the 5 required **Assessment Options** for graduating in 2017.

Note: The **2017 Requirements** tab does not display if students have no **Fiscal Year Began 9th** value or if their **Fiscal Year Began 9th** has a value of **2015** or later.

The screenshot shows a web interface with two tabs: '2017 Requirements' (selected) and '2018+ Requirements'. Below the tabs is a header 'Graduation Pathways' with an information icon and a green checkmark followed by the word 'Completed'. Underneath, the 'Assessment Options' section is shown with a green checkmark, a green progress bar labeled '5 out of 5 Completed', an information icon, and a 'View' button circled in red.

You can click **View** to see details regarding the student's progress toward 2017 graduation requirements. Students must complete 1 assessment option for each of the following subject areas: Math, Reading, Writing, Science, and Social Studies. Students must either pass the OGT in the required subject areas, receive certain performance levels in related end-of-course exams, or score a certain amount or higher for the corresponding ACT or SAT subject test.

The screenshot shows a web page titled 'Assessment Options' with a breadcrumb trail: 'StudentInformation > SIS > Student > Graduation Points > Grad Points Summary'. There is a search bar and a 'Check for Updated Information' button. The page is last updated on 1/18/2017 at 12:40:09 PM. The main content is a table with the following data:

Assessment Options			Completed
Math	ALGEBRA I [Code: 340, Section: 5]	Points Earned 5 out of 5	
Reading	ENGLISH 9 [Code: 039]	Points Earned 5 out of 5	
Science	Ohio Graduation Test - 03/01/2015	Proficient On Science OGT	
Social Studies	Ohio Graduation Test - 03/01/2015	Proficient On Social Studies OGT	
Writing	Ohio Graduation Test - 03/01/2015	Proficient On Writing OGT	

At the bottom right of the table area, it says 'Areas Met 5 out of 5'.

(AASCD) Alternate Requirements

On the **Grad Points Summary** screen, the **(AASCD) Alternate Requirements** tab displays in the **Graduation Pathways** area for a student if they participate in Alternate Assessment for Students with Significant Cognitive Disabilities (AASCD) and have taken alternative assessments.

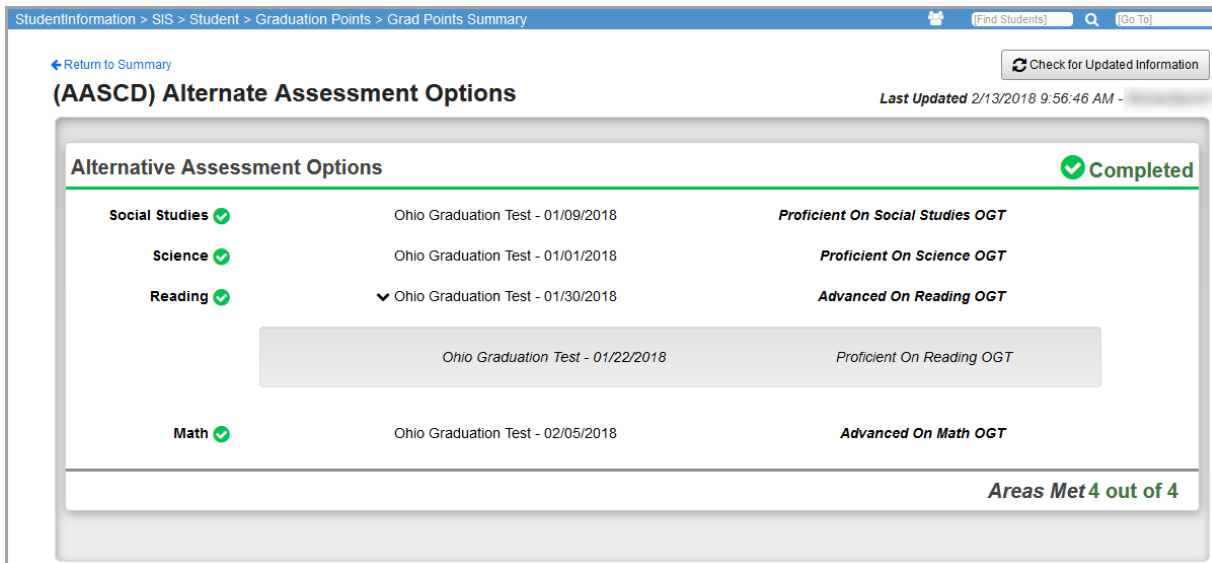

Click the **(AASCD) Alternate Requirements** tab to view the student’s progress toward completing the 4 required alternative assessments for graduating.

Note: The **(AASCD) Alternate Requirements** tab does not display if the student has no applicable alternative assessments entered.

Click **View** to see details regarding the student’s progress toward alternative requirements. To meet graduation requirements, these students must complete alternative assessments for Reading, Math, Science, and Social Studies and receive a **Scaled Score** that results in a **Standard of Proficient** or higher for each assessment area.

Note: These alternate assessments must be entered under OGT assessments with a **Test Type of ALT - Alternate** (see the ProgressBook StudentInformation Assessment Guide).

State Assessment Pathway

The **State Assessment Pathway** screen displays the details of the student’s progress toward each end-of-course exam requirement (see [“End-of-Course Requirements”](#)). This screen applies to students who are following the **Permanent Requirements** tab (see [“Permanent Requirements”](#)) or the **2018+ Requirements** tab (see [“2018+ Requirements”](#)).

If a student has earned points from multiple sources, such as regular assessments, College Credit Plus (CCP) courses, Advanced Placement (AP) courses, and International Baccalaureate (IB) courses, or is prorated or exempt from certain subject areas, all types of earned points display for each subject area with the highest score listed first.

Note: The end-of-course 18-point requirement applies only to students following the **2018+ Requirements** option (see [“2018+ Requirements”](#)). Although the 18-point requirement displays on the **Permanent Requirements** tab, students following the **Permanent Requirements** option need to take only the 6 required state assessments and show competency in English II and Math I, or complete an alternative pathway (see [“Permanent Requirements”](#)).

Note: To map courses to end-of-course exams, see the ProgressBook StudentInformation Course History, Class Rank, and Transcripts Guide.

Note: End-of-course exams with a **Required Test Type** of **ALT - Alternate** do not count toward a student’s **State Assessment Pathway**.

- To view the required performance levels and how they affect the points, see [“Performance Level Credit.”](#)
- To view how proration affects the points, see [“Proration Credit.”](#)
- To view how IEPs affect the points, see [“IEP Exemption Credit.”](#)

Performance Level Credit

If a student has an end-of-course exam with a **Score Not Reported** value of **2/5/A/B/C/D/E/F/G/H/I/J/X** with a **Performance Level** selected, the student receives points equal to their **Performance Level** value instead of their **Score**. If the assessment does not have a **Performance Level** selected, the assessment does not count toward the **State Assessment Pathway** section on the **2018+ Requirements** tab or the **Permanent Requirements** tab, or the 5 federal and state required assessments for the 2017 Requirements (see ["2017 Requirements"](#)).

Note: End-of-course exams with a **Score Not Reported** value of **2/5/A/B/C/D/E/F/G/H/I/J/X** display as **End of Course - <value> - <date>** to help administrators track the student's progress.

Proration Credit

If a student is prorated for an end-of-course exam, the **State Assessment Pathway** screen displays the earned points in blue. At the bottom of the screen, you can hover your cursor over

to view the student's proration details and the automatically adjusted point requirements.

Students receive proration when they have transferred from out of state and should receive transfer points for certain end-of-course exams.

To prorate a student for an end-of-course exam, you must select a **Score Not Reported** value of **Y - Student transferred in with course already completed**. For more information, see the *ProgressBook StudentInformation Assessments Guide* and/or your EMIS coordinator.

If a student is prorated for an end-of-course exam, subsequently takes the corresponding end-of-course exam or a substitute course, and receives a **Performance Level of 3** or higher, the newly taken assessment or course displays, and the student is no longer marked as prorated for that particular end-of-course exam.

Prorated assessments do not count toward the minimum required end-of-course exams a student must take (4 points in Math, 4 points in English, and 6 points across Science and Social Studies).

The following table displays the proration points the student receives based on their number of remaining tests:

GRADUATION POINT REQUIREMENT FOR TRANSFER STUDENTS

IEP Exemption Credit

Students receive 3 graduation points (proficient) toward a particular end-of-course requirement when they have a special education **Grad Requirement** record with the following conditions:

- **IEP Date** value is within the current school year
- End-of-course **Assessment Area** value is selected (e.g., **End of Course - ALG1 - Algebra 1**)
- **Exemption Flag** is set to "Y"

For more information, see the *ProgressBook StudentInformation EMIS Guide*.

Note: Students must have taken the test in the exempted subject area at least once in order for the proficiency to count toward their progress.

The screenshot shows the 'Special Education' form and the student's progress summary. Red boxes and arrows highlight the 'Assessment Area' and 'Exemption Flag' fields in the form, and their corresponding values in the student's progress summary.

Special Education Form:

- IEP Date: 3/21/2018
- Date Type: IIEP - IEP Completion Date - Initial
- Assessment Area: End of Course - ALG1 - Algebra 1
- Exemption Flag: Y - Exempt-IEP team determined does not need to achieve profi to gradua

End-of-Course Requirements

Students following the graduation requirements on the **2018+ Requirements** tab (see “[2018+ Requirements](#)”) must earn a cumulative total of 18 points across 7 end-of-course exams. Students must earn a minimum of 4 points in Math, 4 points in English, and 6 points across Science and Social Studies.

Note: *The end-of-course 18-point requirement applies only to students following the graduation requirements on the **2018+ Requirements** tab (see “[2018+ Requirements](#)”). Although the 18-point requirement displays on the **Permanent Requirements** tab, students following the graduation requirements on the **Permanent Requirements** tab need to take only the 6 required state assessments and show competency in English II and Math I, or complete an alternative pathway (see “[Permanent Requirements](#)”).*

Note: *Prorated assessments do not directly count toward the minimum required end-of-course exams a student must take.*

- Math (4 points minimum)
 - Integrated Math I (MTH1) or Algebra I (ALG1)
 - Integrated Math II (MTH2) or Geometry (GEOM)

Note: *If a student took both options in one subject, such as MTH1 and ALG1, the highest score is applied.*

- English (4 points minimum)
 - English I (ELA1)
 - English II (ELA2)
- Science and Social Studies (6 points minimum)
 - Biology (PHYS/BIOL)

Note: *Only students graduating in 2018 may take either Physical Science or Biology. Students graduating in 2018 who completed a Physical Science course prior to 7/1/2015 are exempt from the Biology end-of-course exam requirements below. Such students can also retake the Physical Science assessment for a higher score at a later date.*

Note: *All students graduating in 2018 must take the Biology end-of-course exam even if they have CCP, AP, or IB courses that count toward the requirements. If a student has such courses and takes the Biology assessment, the highest score applies to their progress.*

- American History (HIST)

- American Governments (GOVM)

Note: Students taking **Advanced Placement (AP)** or **International Baccalaureate (IB)** courses in Biology, American History, and/or American Government have their test scores converted for end-of-course state exams to avoid double testing. The following table displays the automatic conversion between AP and IB test scores to graduation points for valid courses.

- The **Student is a Non-Attending Graduate** field cannot be edited on the **Student Exemptions/Requirements** screen.
- **CORE Economics and Financial Literacy Requirement Met** – Indicates if a student has met the CORE Economics and Financial Literacy Requirement. If you select “Y,” the **Student Exemptions/Requirements** screen and all relevant Graduation Points screens automatically mark the student as having completed the Economics and Financial Literacy requirement. Refer to the *ODE EMIS Manual* for more details on reporting this element.
- **CORE Fine Arts Requirement Met** – Indicates if a student has met the CORE Fine Arts Requirement. If you select “Y,” the **Student Exemptions/Requirements** screen and all relevant Graduation Points screens automatically mark the student as having completed the Fine Arts requirement. Refer to the *ODE EMIS Manual* for more details on reporting this element.
- **CORE Graduation Requirement Exemption** – Indicates if a student qualifies for the CORE Graduation Requirement Exemption. Refer to the *ODE EMIS Manual* for more details on reporting this element.
- **Exempted from Physical Education Graduation Requirement** – Indicates that the district has adopted a policy to exempt certain students from the Physical Education Graduation Requirement and that the student has met the policy’s requirements. If you select “Y,” the **Student Exemptions/Requirements** screen and all relevant Graduation

Points screens automatically mark the student as being exempt from the Physical Education requirement. Refer to the *ODE EMIS Manual* for more details on reporting this element.

- **Graduation Date** – Enter or select the date the student received his/her diploma. Refer to the *ODE EMIS Manual* for more details on reporting this element.
- **Diploma Type** – Select the type of diploma received by the graduating student. Refer to the *ODE EMIS Manual* for more details on reporting this element.
- **OGT Graduation Alternative** – Select if the student passed a graduation test using alternative criteria. Refer to the *ODE EMIS Manual* for more details on reporting this element.
- **Military Compact Graduation Alternative** – Use to indicate if the student is using the Military Compact Graduation Alternative criteria and the number of Ohio graduation assessments the student is not required to pass. Refer to the *ODE EMIS Manual* for more details on reporting this element.
- **Proficient Foreign Language** – To indicate that a student has demonstrated high levels of proficiency in one or more languages and to print the language(s) on their transcript, click to select the language from the list. You can select languages one at a time or hold down CTRL and click to make multiple selections.

Optional Graduation Exemptions

Use this section to indicate whether the student is exempt or has met the following requirements for the **Graduation Points Summary** screen **2018+ Requirements** tab (see [“2018+ Requirements”](#)).

Note: The **Economics and Financial Literacy**, **Fine Arts**, and **Physical Education** checkboxes are read-only. To apply these exemptions or met requirements to a student, you must update the following fields for the student in the **EMIS Graduation Elements** section of the **Student Exemptions/Requirements** screen: **CORE Economics and Financial Literacy Requirement Met**, **CORE Fine Arts Requirement Met**, and **Exempted from Physical Education Graduation Requirement**. See [“EMIS Graduation Elements”](#) for more information.

<input type="checkbox"/>	Advanced Math	Student is exempt from higher level math (Algebra II) requirement
<input type="checkbox"/>	Advanced Science	Student is exempt from higher level science requirement
<input checked="" type="checkbox"/>	Electives	Elective requirement met

Students may be exempt from the following:

- **Physical Education** (read-only) – This checkbox displays as selected when "Y" is selected in the **EMIS Graduation Elements** section of the **Student Exemptions/Requirements** screen in the **Exempted from Physical Education Graduation Requirement** drop-down list. Depending on district policies, the student may be exempt from this requirement if the student has participated in interscholastic athletics, marching band, or cheerleading for two full seasons; or an approved Junior Reserve Officer Training Corps (JROTC) program for two years. See [“EMIS Graduation Elements”](#) for more information.
- **Advanced Math** (Algebra II) – Select this checkbox if a family decides that their child is not prepared to meet the graduation requirement for a higher level math course, or if their child is planning a career that does not require higher level math.
- **Advanced Science** – Select this checkbox if a family decides that their child is not prepared to meet the graduation requirement for a higher level science course, or if their child is planning a career that does not require higher level science.

When the **Career-Technical Pathway** checkbox is selected, the student is exempt from the following:

- Advanced Math (Algebra II)

- Student must still complete four units in mathematics.
- Fine Arts

Note: If the student had already completed the Advanced Math or Fine Arts requirements prior to selecting the **Career-Technical Pathway** checkbox, the Advanced Math or Fine Arts requirement is marked as **Complete** instead of **Exempt**.

You can indicate the student has met the following requirements:

- **Economics and Financial Literacy** (read-only) – This checkbox displays as selected when "Y" is selected in the **EMIS Graduation Elements** section of the **Student Exemptions/Requirements** screen in the **CORE Economics and Financial Literacy Requirement Met** drop-down list. You can indicate the student has completed this requirement if the student received instruction in Economics and Financial Literacy. Various courses across the district may provide content for this requirement. See "[EMIS Graduation Elements](#)" for more information.
- **Fine Arts** (read-only) – This checkbox displays as selected when "Y" is selected in the **EMIS Graduation Elements** section of the **Student Exemptions/Requirements** screen in the **CORE Fine Arts Requirement Met** drop-down list. You can indicate the student has completed this requirement if they have completed 2 semesters of Fine Arts or if they have completed comparable alternative courses, such as high-level woodworking, that do not fall under the **EMIS Subject Area for Credit** "FAR - Fine Arts." See "[EMIS Graduation Elements](#)" for more information.
- **Electives** – Select this checkbox if the student has electives that should be included in graduation points but does not fall under the following core subject areas: BUS, CTA, ELE, FLR, HEC, JTC, and TEC.

Optional Graduation Requirements

Use this section to indicate whether the student has met the following optional graduation requirements for the **Grad Points Summary** screen **2018+ Optional Pathways** tab (see "[2018+ Optional Pathways](#)").

Additional Setup Options

If you are a district that shares a student with another district and wish to share data with each other, see [“Setting Up and Viewing JVS Data.”](#)

If you wish to set up an optional GPA set for calculating whether a student has met the **GPA** optional pathway requirements ([“Optional Graduation Requirements”](#)), see [“Setting Up an Optional GPA Set.”](#)

Setting Up and Viewing JVS Data

Home schools and JVSs, as well as any districts that share a student, can set up district trusts with each other to share Graduation Points data. Refer to the following sections for more information:

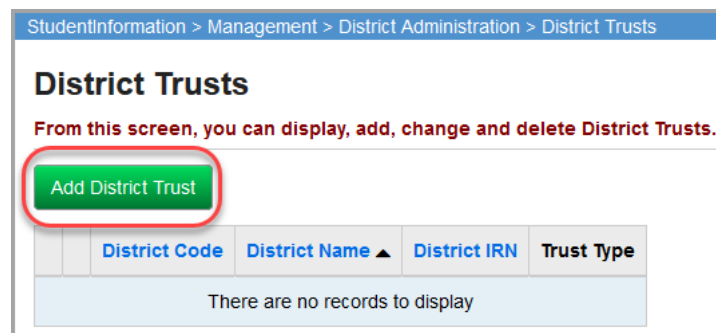

- [“Sharing Data with Joint Vocational Schools”](#)
- [“Viewing JVS and Home School Data”](#)

Sharing Data with Joint Vocational Schools

Navigation: StudentInformation > Management > District Administration > District Trusts

For students who attend joint vocational schools (JVS), in order to share Graduation Points data between a home school and a JVS, a District Trust must be configured at the home school for the JVS, and at the JVS for the home school. The student’s **Edit Student Profile** screen **FS-Standing** tab record must also have a matching **State Student ID (SSID)** at both schools.

1. On the **District Trusts** screen, with a district in context, click **Add District Trust**.

Note: If your home school or JVS already has a District Trust configured for the corresponding JVS or home school, you can click  beside the district on the grid to edit the existing District Trust to include **Grad Points** instead.

	District Code	District Name ▲	District IRN	Trust Type
 		JVS District		EZ Query

2. In the **Trusted District** drop-down list, select the JVS or home school with which you wish to share data.
3. Select the **Grad Points** checkbox.
4. Click **Save**.

StudentInformation > Management > District Administration > District Trusts

District Trusts

From this screen, you can display, add, change and delete District Trusts.

Trusted District: * [Select Trusted District] ▼

Trust Type: * EZ Query **Grad Points** DataMap HB410

The **District Trusts** screen displays with the new trusted or edited district, and Graduation Points data can now be shared if the selected district has also chosen to share with your district.

StudentInformation > Management > District Administration > District Trusts

District Trusts

From this screen, you can display, add, change and delete District Trusts.

The District Trust was saved successfully

	District Code	District Name ▲	District IRN	Trust Type
		JVS District		Grad Points

Note: If you are not receiving JVS data at the home school or are not receiving home school data at the JVS, ensure that both JVS and home school have enabled District Trusts for **Grad Points** with each other and that the student matches on SSID.

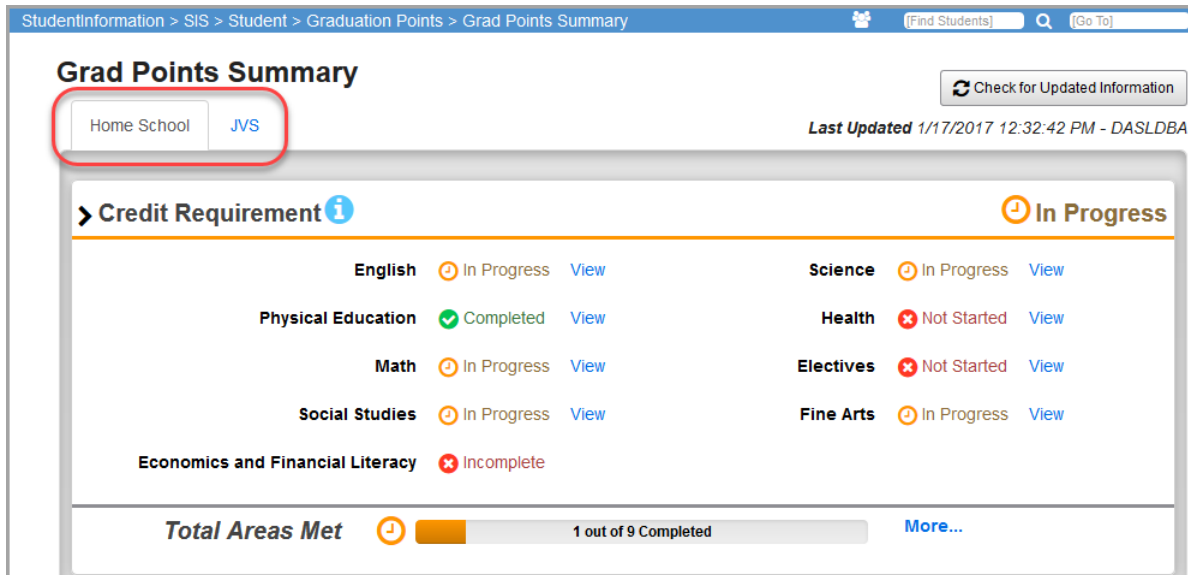

Viewing JVS and Home School Data

Navigation: StudentInformation > SIS > Student > Graduation Points > Grad Points Summary

Once both the home school and JVS have set up District Trusts with each other and have the appropriate JVS configurations, you can now view both home school and JVS Graduation Points data for a student on the **Grad Points Summary** screen.

Note: The student's **Edit Student Profile** screen **FS-Standing** tab record must have a matching **State Student ID (SSID)** in both the home school and JVS.

A tab displays for the home school Graduation Points data and for the JVS Graduation Points data.

Click the **Home School** tab or **JVS** tab to view the corresponding Graduation Points data for the student at each school.

Note: The **Home School** and **JVS** tabs display a student's progress only at the home school or JVS; it does not combine the student's progress at both schools.

Note: Clicking **Check for Updated Information** updates a student's Graduation Points data only for the school in context.

Note: The **Student Exemptions/Requirements** screen displays settings according to the selections made only by the school in context.

Setting Up an Optional GPA Set

You can set up an optional GPA set for calculating the **GPA** optional pathway for students graduating in 2020 (see "[Optional Graduation Requirements](#)"). This section focuses on the recommended configuration for this particular GPA set. For more information regarding GPA sets and marks in general, refer to the *StudentInformation Marks Guide*.

1. On the **GPA Set Maintenance** screen **General** tab, in addition to the **Code**, **Name**, and optional **Description**, make the following selections:
 - a. **Mark Credit Types** – Select only the **Earned** checkbox.
 - b. **Previous Years** – Select only the **Earned** checkbox.
 - c. **Grade Levels** – Select only the grade **12** checkbox.
 - d. **Reporting Terms** – Select only final.

- e. **Mark Type** – Select only final.
