Romeo and Juliet Discussion   Posts: 6

Are Romeo and Juliet similar to teens today?

How are Romeo and Juliet different than teens today?

Please remember to respond to other students as well.

If I liked someone I would see them and do whatever it took to see them. My parents would never know.

You are right, teens do sneak around and lie to their parents about where they are and who they are with. If they in love with someone their parents won't let them see, they will figure out how to see them anyhow.
